

## 1st Newsletter published

Written by University of Reading

Wednesday, 27 June 2012 08:18 - Last Updated Thursday, 28 June 2012 12:32

---

The VideoSense Consortium has published its first Newsletter, containing information about the Summer School, the Grand Challenge, and ongoing research projects within the framework of the VideoSense Network of Excellence. You can download the newsletter [here](#) . If you would like to receive our next newsletters automatically, please subscribe to our newsletter list on the left hand side of the page. For now, please enjoy the first version.
